THE SOUTHERN BAPTIST THEOLOGICAL SEMINARY GREENVILLE, S. C.
JAMES P. BOYCE, D. D., Professor of Systematic Theology.
JOHN A. BROADBENT, D. D., Professor of Interpretation of the New Testament.
BASIL MANLY, Jr., D. D., Professor of Biblical Introduction, Polemic Theology, and Preparation and Delivery of Sermons.
REV. CRAWFORD H. TOY, Professor of Interpretation of the Old Testament, and Oriental Languages.
WM. WILLIAMS, D. D., Professor of Church History, Church Government, and Pastoral Duties.
The next session (of eight months) opens on Thursday, September 1st, 1870, when there will be an Introductory Lecture by Dr. Boyce. It is on many accounts an important opportunity to be present on the very first day.
THE STUDIES
Are exclusively Theological. The Seminary does not undertake to supplant a college or grammar school, in giving literary instruction. Those who need that must seek it, where it is appropriate. But in pursuing the extensive course intended strictly under Theology, instruction is given adapted to different grades of preparation; so that the best college graduates and those who have only a good English education, may both find such courses as they respectively need. There are eight distinct Departments or Schools, several of which have two or three classes each.
SELECTION OF STUDIES.
A student selects, with such advice as he may desire from the professors, the subjects to which he wishes to devote himself for the year. If successful, he can graduate in the department he has chosen, and the next year, if he is able to return, pursues the other parts of the course, to complete which requires usually three to four years, according to preparation and diligence.
PASTORS ATTENDING FOR ONE YEAR.
On leave of absence from their churches, might find their minds directed as to the method of study, the books which are most available, the topics which need investigation; and by their presence among the students might both receive and impart stimulus and practical experience in their great life-work.
EXPENSES.
There are no charges for tuition, nor fees of any kind. Some of the rarer and more expensive text-books, as in the Languages, are loaned to the students. The cost of those which it is necessary to buy varies from ten to twenty-five dollars a year. They may be procured in Greenville at New York cost.—Board is furnished in the "Seminary Hall" at actual cost, say about ten dollars a month, including food, fuel and lights. One hundred dollars will cover necessary expenses of a session, if clothing, traveling expenses and personal incidentals are otherwise provided for.
LOCATION.
Greenville is in a healthy mountain region, and is reached by railroad, via Columbia, S. C.
AID TO STUDENTS
Who need such assistance is supplied, so far as the means contributed admit, out of a "Student's Fund," the collection and management of which has been entrusted to Rev. B. Manly, Jr. It is desired that no one, who is prepared to enter with proper qualifications, spiritual and intellectual, on the studies of the Seminary, shall be deterred from it by lack of means. Brethren wishing to attend are invited to write at once. Contributions for the purpose of supplying them with the necessities of life while studying to prepare for the ministry are also respectfully solicited.
For catalogues, or further information, address
B. Manly, Jr., Secretary of the Faculty.

ROSADALIS
THE GREAT AMERICAN HEALTH RESTORER, purifies the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Piles, of Women, and all Chronic Affections of the Blood, Liver and Kidneys. (Recommended by the Medical Faculty and many thousands of our best clients.)
Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution; it will give you much valuable information.
R. W. Carr, of Baltimore, says: "I take pleasure in recommending your Rosadalis as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the Rosadalis, and find it an excellent compound of alternative ingredients."
Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of scrofula and Secondary Syphilis with satisfactory results—as a cleanser of the Blood I know no better remedy.
Benjamin Bechtel, of Lima, Ohio, writes: "I have suffered for twenty years with an inveterate eruption over my whole body; a short time since I purchased a bottle of Rosadalis and it effected a perfect cure."
Rosadalis is sold by all druggists. Laboratory, 61 Exchange Place, Baltimore.

PLANTATION BITTERS
This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits.
Wherever it is introduced it becomes a standard article—a medicinal staple. It is to-day the best and purest tonic, and the most popular medicine in the civilized world—be sure and get the genuine. Sold by all Druggists, Grocers and Country Stores.
